ENDLESS LUXURY

DOLOMIO

The Dolomio series represents high-quality Italian tile craftsmanship, a perfect blend of heritage and innovation. These porcelain tiles, available in a substantial 1220x610mm size, come in three serene shades: a pure and classic white, a contemporary and sleek grey, and a warm, inviting almond. The vein cut aesthetics run through each piece, to mimic the natural patterns found in quarried stone. The range also includes two stunning decor options that can be used on both walls and floors to provide an interesting finish.
