

NAVARRO TILES

ENDLESS LUXURY

## CAPRI

The Capri tile range is inspired by the understated elegance of the typology found on the island of Capraria in Italy. Known for its moonstone-like appearance, this collection is available in both grey and sand shades, with a matt finish that ensures durability and a consistent, sleek look across the porcelain tiles. Designed for high performance and low maintenance, the Capri range offers a sophisticated flooring solution that meets the practical needs of any space while providing a modern aesthetic.
